One is my cotton world pajamas which I have used for threads and the other is neutral Eye-Shadow.. Tarina Tarantinos amazing was closest to the Colorfairly closebut is a powder product.. I mailed Maybelline for info on when or if they come to Europe but I guess they dont need to reply eh.. For someone who loves champagnewhite gold cream shadows I think theyre both worth owning.

---

Im glad I bit the bullet and bought this shade but its my least favourite shade from the seven Color Tattoos that I own.

Let me know if I cant explain whats wrong with a product in the review so I can do a better job thanks.. Overall I like enough to use it maybe once every 2 weeks or so but wouldnt buy back so Im not really a cold base person.. Tarina Tarantino Fantastical was the closest in colorfairly closebut is a powder product.. For someone who loves champagne white golden cream shade I think they are both worth owning.. Overall I like it enough to use it maybe once every 2 weeks or so but wouldnt repurchase since Im not really a frosty base person.. I sent Maybelline for information on when or if they come to Europe but I think they dont need to answer eh.. My sister likes Barely Branded better because she has oily eyelids and finds that Bare Study creases on her.
